Concept Note

World Environment Day 2022 is the biggest international day for the environment. Led by the United Nations Environment Programme (UNEP), and held annually since 1973, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. "Only One Earth" is the campaign slogan, with the focus on "Living Sustainable Harmony with Nature" for 2022 is the theme.

The impact of climate change is insurmountable, even the cost of climate change on countries' economic progress is alarming. The reason and remedy both are known but the question remains unanswered about the matter of action? Asansol Girls' College, a leading higher education institution in coal belt region of West Bengal, India is trying find the answer on 11th of June, 2022. We are expecting you are also concern of the mother earth. Let us together try to understand the myriad forms of climate change and its impact on our livelihood.
