## **Department of Zoology**

## **Asansol Girls' College**

Schedule for UG 4<sup>th</sup> Semester Final Examination 2020

## Subject: Zoology (Honours, Generic and Program)

| Date     | Time              | Exam    | Paper                |
|----------|-------------------|---------|----------------------|
| 22.09.20 | 03:00pm- 05:00pm  | Program | CC-IV                |
|          |                   |         | Genetics and         |
|          |                   |         | evolutionary biology |
|          |                   |         | Theory+ Practical    |
| 23.09.20 | 03:00pm- 04:00pm  | Program | SEC-2                |
|          |                   |         | Aquarium and fish    |
|          |                   |         | keeping              |
|          |                   |         | Theory               |
| 24.09.20 | 03:00pm- 05:00pm  | Generic | GE-4                 |
|          |                   |         | Physiology           |
|          |                   |         | Theory+ Practical    |
| 25.09.20 | 01:00pm- 03:00pm  | Honours | CC-X                 |
|          |                   |         | Biochemistry of      |
|          |                   |         | metabolic process    |
|          |                   |         | Theory+ Practical    |
| 26.09.20 | 01:00am- 03:00pm  | Honours | SEC-2                |
|          |                   |         | Aquarium and fish    |
|          |                   |         | keeping              |
|          |                   |         | Theory               |
| 27.09.20 | 01:00 pm- 03:00pm | Honours | CC-VIII              |
|          |                   |         | Cell biology         |
|          |                   |         | Theory + Practical   |
| 30.09.20 | 01:00pm 03:00pm   | Honours | CC-IX                |
|          |                   |         | Parasitology and     |
|          |                   |         | immunology           |
|          |                   |         | Theory+ Practical    |
